REMARKS Tom I just got the Terracon report on Collis. Here is one of the 3 copies for your review. Some ~~the~~ other programs may have to share a copy. I would like to get together & meet with you after we have both read this & draft a response back to the company. I promised the company that we would try & do this as soon as possible. I will be out of the office 8/1-3/84 but will be in most any other time. Let me know what time would be OK for you to get together on this.
